ABOUT THIS AWARD

The Jasleen Manhas Memorial Scholarship is open to students enrolled in the Advanced Clinical Massage Therapy (ACMT) program. The scholarship was established to honour the extraordinary life of Jasleen Manhas, whose greatest gift was making people feel valued. As a Registered Massage Therapist and co-founder of Dieta Wellness Inc., she combined clinical excellence with genuine compassion, ensuring every client felt safe, heard, respected, and cared for. She believed healing began with human connection and dedicated herself to easing both physical pain and emotional burdens. This scholarship celebrates students who demonstrate perseverance in the face of adversity and a sincere desire to improve the lives of others, carrying forward the compassion, resilience, and selfless spirit that defined Jasleen's life. It serves as a reminder that the greatest healthcare professionals are not only skilled in their craft but are deeply committed to caring for the whole person.
